Just ahead of the date, we meet with the client to go over the details. On the day of the event, a staff member will be on site to manage receiving rentals and assist the client and vendors with any questions regarding set up.

Food, Beverage and Flowers

The Maclaren Art Centre is a fully licensed establishment. We have an experienced team of bartenders that ensure the evening goes smoothly. Standard bar staff are included in the price of the rental, and you decide how you want the bar to be run—cash, open, tickets, toonie. Plus, we carry a nice selection of beers, wines and liquors to suit a variety of tastes.

The Gallery Café also offers a delightful assortment of breakfast, lunch and appetizer options for facility rental clients looking for catering. Catering options are also available for pick up. For catering options not available through the Gallery Café, the client is able to bring in outside catering from our list of pre-approved caterers.

Please note that only cut flowers from a professional florist are permitted in the building. We do not allow any potted plants, flowers collected from the garden, or wildflowers.
