

Committees of the Board Recruitment Package

We are inviting members of the community to help shape the future direction of the MacLaren Art Centre.

This is an exciting time to be part of the MacLaren Art Centre. In 2021 we celebrated twenty years of operations in the building on Mulcaster street in Barrie. As we begin to emerge from the impacts of a global pandemic, we are imagining a new future for the gallery and preparing to embark on a community-driven strategic planning process in 2023. These are exciting and meaningful times as we search for new ways to actively work together through new collaborations and partnerships, and as we make space for diverse narratives in a way that values and empowers different worldviews and forms of knowledge.

The MacLaren Art Centre is committed to equity and inclusion and encourages applications from members of culturally diverse communities, persons with unique abilities, and equity- seeking individuals. The MacLaren recognizes and affirms the traditional territory of the Anishinaabek, which include the Odawa, Ojibwe and Pottawatomi Nations, collectively known as the Three Fires Confederacy. The local bands consist of the Chippewa Tri-Council, who are made up of Beausoleil First Nation, Georgina Island First Nation and Rama First Nation. We also acknowledge the Wendat Nation (Huron) who occupied these lands prior to the middle of the 17th century.

We want you to be well-informed about the organization, and ensure that you have given considerable thought to your commitment before you agree to serve. This recruitment package will provide you with information about the MacLaren and what your role as a member of a standing committee of the board would be.

Committee Opportunities

The Standing Committees of the Board of Directors are comprised of members of the Board of Directors, community members and the professional staff of the MacLaren, reporting to the Board through the Committee Chairperson. Each Committee meets approximately four times per year. A member stands for a one-year renewable term from the Annual General Meeting to the following year's AGM.

In addition to attending scheduled committee meetings, it is expected that members support and regularly attend / participate in various MacLaren activities by:

- Informally monitoring public and member reaction and response to the work of the MacLaren;
- Acting as an ambassador for the MacLaren at all levels of public engagement;
- Advocating for greater public awareness and appreciation of the MacLaren's goals and its programs;
- Contributing to annual fundraising goals;
- Connecting staff with potential volunteers and contributors inside and outside of your community;
- Encouraging and aiding the recruitment of volunteers for the MacLaren;
- Respecting the need for confidentiality and sensitivity related to information and committee conversations.

Program Committee

The intent of the Program Committee is to assist the MacLaren's professional staff in meeting the objectives of the Centre's exhibition, collection, and education plans; to provide recommendations, advice and support for the professional staff; and to contribute as needed to specific activities.

Marketing & Development Committee

The intent of the Marketing & Development Committee is to assist professional staff in meeting the objectives of the annual marketing and development plans; to provide recommendations, advice and support for the professional staff; and to contribute as needed to specific fundraising activities.

Finance Committee

The Intent of the Finance Committee is to assist the Board in meeting its governance responsibilities by reviewing and making recommendations to the board regarding: strategic financial plans and the annual operating budget; financial information, including audited financial statements; and the long-term financial stability and sustainability of the organization.

How to Apply

Please fill out the attached expression of interest document found here.

Completed Expressions of Interest should be submitted to lisa@maclarenart.com by May 15, 2022.

Contact Lisa Daniels, 705-721-1044 ext. 260 if you have any questions.

About MacLaren Art Centre

The MacLaren Art Centre is a free public art gallery located in downtown Barrie, Ontario. With over 4,000 works of Canadian art in the permanent collection, and with the support of a keen volunteer team, the gallery serves an immediate community of 450,000 people across Simcoe County. We approach our work with a regional responsibility and an appreciation for the national sensibility, responding to issues that matter in our immediate community within the broader context of the provincial and national cultural framework. We offer a variety of historical and contemporary exhibitions that focus on visual art and visual culture by Canadian artists of national and regional significance. Our goal is to provide the community with an exciting range of art exhibitions, tours, lectures, and art programs that inspire curiosity, creativity, and interest in the visual arts.

The gallery receives funding from private donors, corporate sponsors, and ongoing public funding from the Ontario Arts Council, the Canada Council for the Arts, and the City of Barrie, as well as occasional project-based funding from the Government of Canada, Ontario Trillium Foundation, and the Ontario Attractions Fund. Other revenue is generated through our events, memberships, and art programs.

History

The Gallery was incorporated in 1986 as the Barrie Gallery Project, a not-for-profit charitable organization. It opened a storefront gallery in 1988 at 17c Mulcaster. In 1989, local businessman Maurice MacLaren left his collection and residence at 147 Toronto Street to the City of Barrie and the Barrie Gallery Project, giving the Gallery a permanent home. In honour of his bequest, the Gallery was named the MacLaren Art Centre in 1990.

During the 1990s, the MacLaren gained wide-spread recognition for its innovative approach to programming. In 1997, the Gallery attracted 100,000 visitors for Joe Fafard's Field Project. The design, the image of a horse, was planted with crops in a 50-acre site with the help of local farmers and two hundred volunteers. Responding to the new Ontario public school curriculum, VanGo was introduced in 1997, employing regional artists to deliver subsidized in-class studio programs across Simcoe County.

In 1997, 1998 and 1999 the MacLaren was awarded the Lieutenant Governor's Award for its exceptional private-sector and community support. The MacLaren moved to a new, state-of-the-art facility in 2001. The building, designed by Siamak Hariri of Hariri Pontarini Architects, garnered significant critical acclaim, including the 2003 Ontario Architects Association Award of Excellence for Best Building (under 10 million) and the National Post Design Exchange Award of Merit.
