Teachers: Book *VanGo* for Your Students!

The MacLaren Art Centre's *VanGo* program offers unique opportunities for students to meet and work with professional visual artists in the classroom and at the Gallery. *VanGo* artists are highly qualified, experienced art instructors dedicated to inspiring creativity in all children. *VanGo* meets the requirements of the Ontario Arts Curriculum, serving Barrie and Simcoe County.

HOW TO BOOK

MacLaren *VanGo* programs can be booked online, by email or telephone Monday through Friday throughout the academic year. *VanGo* Gallery and in-person school programs are available based on Public Health guidelines. When booking please let us know what program you are interested in, planned date and time, class size, and anything that will better help us serve your class. The MacLaren Art Centre requires that *VanGo* artists work with only one class at a time in both a virtual and in-person setting.

To learn more about the MacLaren Art Centre and our offerings, please visit www.maclarenart.com.
